GOLD STANDARD QUESTIONNAIRE

Church _____ Registration # _____

The purpose of this form is to assist you in assessing the effectiveness of your Awana club. This is meant to be a positive tool in order to help you evaluate and improve your club. By looking at the various aspects of your club in the questions below you can determine areas that need strengthening. In the fall we will process your questionnaires and categorize each church to see which level you are at. Gold, Silver and Bronze Clubs will be recognized during our Y2010 Fall Awana Ministry Conferences in September/October. No statistics will be published.
