

## Ministry Team Contacts

In order to provide you and your club with the best possible resources, we have assigned each church in our area to one of our Ministry Team members. They are very experienced in club and work closely with on area events. Their phone numbers, e-mail address and mailing address are on page 3 of this manual. We encourage you to contact your Ministry Team contact if you need assistance and, of course, your Awana missionaries are available, too.
